Wine List

Dalla Terra means “From The Earth” in Italian. Ringing true to our rooted commitment in offering a thoughtfully curated wine list from established and celebrated producers to emerging wine makers. Over the years we have continued to grow our wine selection from every major and quite a few less well known Italian wine regions. As well as including iconic wines from our close neighbours and from further afield. Each one with a story to tell and palates to impress. It is a testament of our continuous pursuit in providing great experiences with excellence in quality.
